

The Pennsylvania Office of Vocational Rehabilitation and Penn State DuBois OTA Program present:

ASSISTIVE TECHNOLOGY AWARENESS DAY

November 8th, 2018

@ The Penn State DuBois DEF Building

12:00 PM – 2:00 PM

- Live assistive technology demonstrations
- Learn about how to properly evaluate assistive technology needs
- Identify the latest trends in assistive technology
- Local providers will be present to share information on their services
- OVR representatives will be available for questions and consultation

We invite everyone to join us in raising awareness about assistive technology's role in the home, classroom and workplace
