Dear Ms. Snelick:

I am pleased to inform you that your modification request for North Central Workforce Development Board's 2017-2019 WIOA Regional and Local Plans have been reviewed and approved. Such approval is effective through June 30, 2020. These changes include:

Indication of the new WIOA Title I program contractor (ResCare Inc.), removal of select reporting information language, change to a local board standing committee responsibility, updated one-stop location and operation hours, updated local board staff and new one-stop partners' point of contact information, new PA CareerLink® website address, and a revised local workforce development area organizational chart.

Approval of this modification does not constitute approval of any practice that conflicts with federal and state statutes, regulations or policies; nor does approval preclude the commonwealth from, at its discretion, readdressing any part of the plan if the content is found to conflict with such statutes, regulations or policies.

In addition to posting this approved modification on your Local Workforce Development Area's website, this correspondence must be retained on file with the applicable local plan.
