Highlights for this quarter –

Cynthia Beniquez came to the EARN program needing help with child care to secure employment. She CareerLink. was able to get that through the County Assistance Office and EARN. With the child care situation being remediated, Cynthia is now currently working at the Red Roof Inn and flourishing there, often getting above 40 hours a week in work at \$9 per hour. She has been able to get extra help for home necessities, such as groceries, through her first

EARN incentive through ResCare. Cynthia has been quite cooperative with turning in paystubs and communicating with the EARN Talent Development Specialist at the PA

Brandi McLaughlin completed the EARN program in mid-September after the EARN Talent Development Specialist received her most recent paystub. Brandi came to the CareerLink in December 2018 and was quickly secured employment at Marion Manor in January 2019. From there, Brandi has kept her job at the Manor for the past eight months and was able to start building a career for herself in the healthcare field.

TANF State Monitoring taking place at the Clearfield SPCA. Included in the picture is a former TANF participant Felecia who is now hired at the shelter post TANF program. The TANF representatives commented on how knowledgeable our region staff is on the job sites, student goals, and regulations. While at the SPCA they learned the tasks that not only Felecia did in the past, but how grateful she was for the program leading to her full-time employment there as well .

Pamela Gavlak, PID 1788814, came to the CareerLink seeking employment assistance. She has a criminal history, which has been making obtaining employment difficult. Pamela was enrolled as an adult in WIOA services on 8/30/19. Pamela participated in job search activities with TDS, and on her own. She has been hired by Three Wire Systems out of Ebensburg as a Behavioral Health Veterans Specialist.

Jeremy Cutler, PID 2591828, was a RESEA referral to WIOA services. He attended WIOA orientation and was enrolled as a dislocated worker in WIOA services on 7/18/19. He completed TABE testing and engaged in work search activities. Jeremy has recently begun working at Miller Brothers Ashley Furniture Store in DuBois in their sales department.
