

**Local Management Executive Committee (LMC) Meeting
November 20, 2019, 10:00 AM**

CAO Executive Directors Present: Jim Keltz, Greg Lezanic, Gail Valora
Absent: Becky Mitchell

WDB Staff Present: Linda Franco

Topics Discussed: EARN provider Incentive Report, EARN Provider Report, Service Activity, Program Activity and Monthly Activity

Blythe informed the LMC that the proposed **Incentives for EARN** customers have been instituted and they are still collecting data to determine success. So far they have awarded incentives for ISPT Meetings, Guidance Center appointments, Veterans Programs, Parent/Teacher conferences, Well Checks, and nine month retentions. Blythe also provided the committee with a report covering July 1, to November 15th indicating 35 new enrollments during that period with 33 carryover customers.

Linda informed the LMC that the 2019 EARN Manual still has not been released but monthly EARN calls indicate a lot of changes to the EARN program and a reduction in Work Ready programs which may be eliminated in our region. Extended TANF customers may be referred to EARN. Family based programs continue to be encouraged by DHS.

The LMC was given a copy of the **EARN PROVIDER REPORT** in an email following the LMC Meeting. **Earn reports from CWDS** were provided to the Committee prior to the meeting. There were no questions on any reports.

Action Items for WDB: None
