UPS, 2020 Census, Empereon, Dajon, UPMC, Zito Media, Buchanan Brothers Pharmacy, Rite Aid, Siemens Olean, International Waxes, Hoopes Trucking, Roadside Inc., Ricks Auto, Morgan AMT, Protektor Model,

Highlights for this quarter –

Potter County has spent much time this quarter interviewing and selecting new staff, strategizing and planning for the future of the CareerLink staff. We are eager to bring on essentially all new state staff at the office in the very near future. We will then put our efforts to training new staff and integrating them into the team.

In September, staff attended the Workforce Symposium in State College, PA where we attended excellent seminars and further deepened relationships with diverse staff from across the state.

We partnered with UPS and 2020 Census management to assist in recruiting temporary staff for their ranks and provided space and staff to assist in their efforts.

Staff celebrated the retirement of 2 long time staff members this quarter, Elaine Davis, CareerLink Specialist, and Terry Cole, Site Administrator both completed their careers at the Potter County CareerLink recently.
