Highlights for this quarter –

Brittany Newell PID: 5751617WIOA OSY Participant Brittany has been excelling at her work experience at Tangled Hair salon. Brittany came to staff with a dream of working in a salon, and training to back it up. What Brittany needed was help getting the experience. Brittany knew right out of high school that she wanted to investigate the cosmetology field as a long-term option, however, did not have any prior jobs to help her get her foot in the door. Not only has she grown as an overall employee, she also earned a certification to apply eye lash extensions while on her work experience with the salon. Pictured is Brittany holding her certificate in the Tangled Salon.
