

Whether you are rejoining the workforce or building your skills set, PA CareerLink® Day is meant to encourage you to achieve your full potential with PA CareerLink® free resources and events. As the state continues to rebuild our workforce and navigate the COVID-19 pandemic, Pennsylvania wants you to know that we have your back!

The first PA CareerLink® Day happened August 12, 2021

If you missed out on August 12th events, please visit [PA CareerLink® Events](#) to search and attend current job fairs, resume-building sessions, or training and workshops near you.
